OTR Liaison with the DD/I Area

1. In connection with the several OTR-DD/I items contained in the Inspector General's Survey and with the recent DD/I queries concerning the Intelligence Review and IRRR courses, it may be that our OTR liaison with the DD/I area is not as complete as it might be. Further, whereas we have weekly contacts with the EA-DD/S and DD/P-TRO, we have no such regular arrangement for meetings with DD/I.

2. It is, therefore, proposed that [REDACTED] and I meet once a month with [REDACTED], DD/I Training Officer, "to discuss training matters of mutual concern." If you concur with this proposal, it is suggested that you might get in touch with Mr. Amory and make the necessary arrangements.
